

The Ebix User Group – Building a Community of Belonging!

ANEU – Engaging Ebix Users

- The ANEU membership includes users of Ebix agency management systems - EbixASP, EbixONE and EbixELITE (Redshaw) – as well as 3rd Party Application Providers (rating, systems support, consultants) and Insurance Companies.
- The Ebix User Group provides a venue for users to come together and ask questions and share ideas that lead to the improvement of agency productivity. Collaborative tools provided by ANEU include the Members-Only Forum, Webinars, and face-to-face training sessions.

ANEU - Delivering REAL VALUE to your AGENCY!

- The ANEU Board of Directors is comprised of volunteers who are passionate about the insurance industry and adding value to Ebix products. These leaders serve as advocates for Ebix users and are involved in many industry groups including ACORD, AUGIE and ACT. Board Positions are open. Please contact Headquarters for an Application.
- ANEU has established a Product Development Committee that meets monthly with Ebix personnel to discuss potential enhancements and desired upgrades to Ebix products. Over the past year, more than a dozen significant product improvements came from PDC recommendations. ANEU members have the opportunity to have direct input on programming developments through the Enhancement Request program available at www.ebixusergroup.org.
- ANEU Members can feel secure with their automation investment. Aside from the information, education and advocacy provided by ANEU to its members, ANEU holds escrow agreements for the various agency automation programs allowing members to feel more secure.
