

## LEARN MORE ABOUT REAL TIME EFFICIENCIES DURING THIS FREE WEBINAR:

### "Real Time: The Next Major Advance in Agency Workflow"

- Wednesday, May 6 (1:30-2:30 PM eastern time); and
- Wednesday, June 3 (1:30-2:30 PM eastern time)

#### WEBINAR DETAILS:

Independent agencies are deriving major benefits from implementing Real Time as well as Commercial and Personal Lines Download today and we encourage you to attend this special one hour webinar opportunity being put on by the Real Time/Download Campaign on **Wednesday, May 6 (1:30-2:30 PM eastern time)** and again on **Wednesday, June 3 (1:30-2:30 PM eastern time)**. We encourage you and your agency staff to register for one of these webinars today.

The webinar-- Real Time: The Next Major Advance in Agency Workflow-- will be led by Lisa Parry Becker and Cyndy Smith, two highly knowledgeable agents about these new workflows and co-Chairs of the Real Time/Download Campaign. In this Webinar, we will explain Real Time, demonstrate it, discuss the benefits, and outline next steps whether you are just starting Real Time or interested in increasing its usage in your agency. We will also discuss the increasing importance of Download in a Real Time world. Cal Durland of AUGIE and Jeff Yates of ACT will also participate.

There is no charge for agents or others to attend these Webinars. After you logon to the Internet session, you will be able to listen to the audio through your computer headset or speakers. If you would prefer, you will also be provided with a toll number you can call to listen to the audio.
